以免污染环境

A cartoon illustration featuring a recycling bin on the left and a battery character on the right. The bin is a simple box with a lid, with the Chinese characters '电池' (Battery) and '回收' (Recycling) written on its front. It has a smiling face with two eyes and a wide grin. The battery character is a small, rectangular battery with a positive terminal on top, also with a smiling face and arms. The battery character is standing next to the bin, appearing to be about to throw it away.
